EMERGENCY MEDICAL DISPATCHERS

National Academy Training and Certification

Certification Courses for the National Academy of Emergency Medical Dispatch provide:

- **The Professional Standard for EMD Training**
- **EMD Scenario Practice Drills and Examinations**
- **National Certificates and Diplomas of Graduation**
- **Course Manuals and Study Guides**

For more information, call (801) 363-9127, or circle our number on your reader service card.

1990 REGIONAL CERTIFICATION COURSES

Feb. 27 – Mar. 1
Denver, CO
Doubletree Hotel

April 4 – 6
Phoenix, AZ
Fountain Suites

May 1 – 3
Greensboro, NC
To be announced

Unitrol's New Touchmaster™ Siren/P.A. Systems

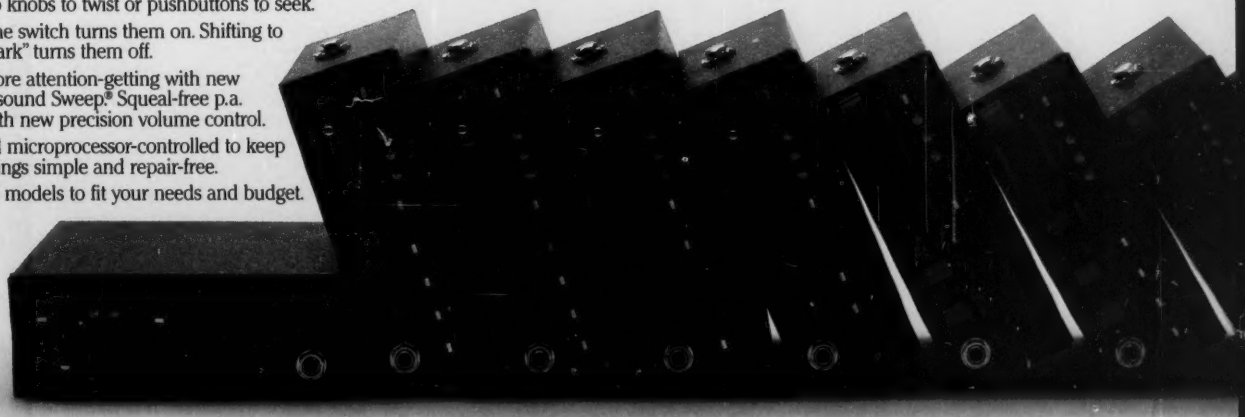
No knobs to twist or pushbuttons to seek.

One switch turns them on. Shifting to "Park" turns them off.

More attention-getting with new 3-sound Sweep.® Squeal-free p.a. with new precision volume control.

All microprocessor-controlled to keep things simple and repair-free.

32 models to fit your needs and budget.



Dunbar-Nunn Corporation, 1108 Raymond Way, Anaheim, CA 92801 (714) 871-3336 Outside CA (800) 854-3375 FAX (714) 871-3418

JEMS CELEBRATES ITS 10TH ANNIVERSARY

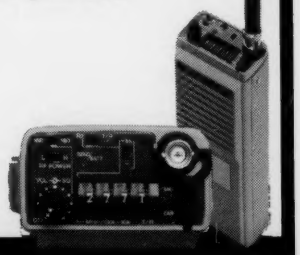
JEMS has been at the forefront of EMS reporting for a decade now. To celebrate, we're publishing a special issue next month. Read about the EMS milestones that were first introduced in our journal and what industry leaders see in the future for EMS. Don't miss out as *JEMS* ushers in a new era of state-of-the-art EMS coverage.

Programmable 10 Channel FM

2-WAY POLICE RADIOS

$375

Watch for our Communication Seminar on Agri-SAT Satellite Network. Sunday nights, West Star V, Channel 3, 7:30 p.m. CST.



Removable flex antenna allows unit to be used with any standard mobile antenna greatly extending its range. Talk on any authorized frequency with permission of licensee. Make phone calls. Field thumbwheel programmable. Use any or all 10 channels. No crystals required. 1 or 5 watts. One year warranty. Full line of accessories available.
